System Review Report

To the Shareholders
Drucker, Math & Whitman, P.C.
And the Peer Review Committee of the New Jersey Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of Drucker, Math & Whitman, P.A. (the firm) applicable to engagements in effect for the year ended October 31, 2015. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As a part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System Review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included audits of employee benefit plans.

In our opinion, the system of quality control for the accounting and auditing practice of Drucker, Math & Whitman, P.C. in effect for the year ended October 31, 2015, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. Drucker, Math & Whitman, P.C. has received a peer review rating of *pass*.
